ADMINISTRATION

A Time To Instruct

It is TIME again to send greetings your way by route of this very excellent Nebraska Christian High School yearbook. Do take the TIME to look through this book carefully. It is your official tour book of a year of school on this campus.

As you witness through visual perception the TIMES of work and the TIMES of social activities, TIMES of spiritual enrichment and TIMES of physical activity, TIMES of academic pursuit and TIMES of leisure; you will be caused to thank the Lord for another year of accomplishment in this school which He has established.

We do not know how much TIME there is left to challenge young people for a consecrated life for Him. Today, however, there is TIME. Thank you friends of Nebraska Christian High School for making "today" at this school possible.

"To every thing there is a season, and a TIME to every purpose under the heaven:" (Eccl. 3:1)

Rev. Rempel speaks to students

The days of April 27-29, 1966, were Spring Conference days here at Nebraska Christian High School. The speaker was Rev. John Rempel from the Berean Fundamental Church in Cozad, Nebraska. The meetings were a real blessing and inspiration; a time when many N.C.H.S.ers made new commitments to the Lord.
